MEMORANDUM

To: Utah State Building Board
From: David G. Buxton 
Date: May 21, 2009
Subject: **Reallocation of Excess Funds from Snow College Nielsen Hall Asbestos Abatement Project**

Recommendation

DFCM recommends that the Building Board review the request from Snow College to transfer excess funds to another improvement project

Background

The Mary Nielsen Hall Asbestos Abatement Project was estimated to cost \$54,000. The actual cost was \$14,900. Snow College is requesting that the remaining funds be used to fund the Metal Jackets of Steam and Condensate Project-Ephraim. Funds remaining should be sufficient to fund the majority of this project.
